

REMARKS/ARGUMENTS

Favorable reconsideration of this application is respectfully requested in light of the forgoing amendments and the following remarks.

Claims 1-18 are pending in this application.

The Applicants acknowledge, with appreciation, the allowance of Claims 1-18, except for formal matters. The formal matters have been corrected by way of the present amendment.

In regards to the objection to Claim 1, line 12, the Applicants respectfully disagree with the Examiner's suggestion to change this instance of "an engaging hole" to - -the engaging hole- - because the instance is referring to different engaging hole. If the Examiner disagrees, he is invited to telephone the undersigned so that mutually agreeable claim language may be identified.

Consequently, the present application is in condition for formal allowance and an early and favorable decision to that effect is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
